All funds raised by this event will be used by the Point Clear Rotary Club to support existing community organizations that depend on donations to make the community a better place to live and work. The primary beneficiary of our fundraising is Fairhope Rotary Youth Club which provides educational assistance to "at risk" children. Additionally, we support The Salvation Army, educational scholarships for local high school graduates, Bayside Medical Missions, Camp Rap-A-Hope, Camp Seale Harris, Children's of Alabama, The Jennifer Claire Moore Foundation, and other worthy local charities. See reverse side for charity descriptions.
